

GLADDY SPORT

GLADSTONE RUGBY

The rugby season has got off to a promising start for Gladstone and at the time of writing this article the Premiers had won their first 3 games in a row.

We also had the Grassroots Rugby team filming the game against Greytown on 29th April in conjunction with our Past Players Day and official opening of the Steve Thompson Domain. The Senior Reserves have a much more competitive team than the previous couple of seasons and will be a team to watch as the season progresses.

Thanks again to all sponsors and supporters involved in Gladstone rugby – without you we would not be here. Also remember to go to www.gladstonerugby.co.nz to keep up to date with all events associated with the rugby club.

GLADSTONE NETBALL CLUB

Gladstone Netball club would like to welcome 'Helloworld' travel onboard as our major sponsors this year.

We really appreciate the support we are getting from local companies to help with the running costs of the club.

Trainings are well underway and players are looking forward to the start of the season on the 6th of May. Prem 1 will be played at the Genesis Rec Centre Thursday & Friday nights while Prem Reserve and Social play at Colombo courts.

GLADSTONE COMPLEX NEWS MAY 2017

Now the holidays are over the Complex is busier than ever with all sporting codes training and playing. Please note that **NO DOGS** are allowed due to Health & Safety. We provide these facilities with pride and would remind all users sporting and social to please clean up the premises (including the carpark) before you leave. If hiring for an evening event this needs to be completed by 9am the following morning.

We receive many compliments about the grounds and Complex facility with a lot of volunteer work going into keeping it this way we would appreciate our users maintaining the standard.

The next Committee meeting will be held at the Pub on 23 May 2017 at 7pm and everyone is welcome. The following meeting will be the AGM and we are always looking for more committee members to join our team. Thank you to the locals who have agreed to be the Road Organisers for Neighbourhood Support – you will be hearing from them in due course.
