

## TERM 2 GLADSTONE SCHOOL 2017

Our school roll is currently 138 students, with a good number of new entrants still to enrol throughout the year.

We have had a fantastic start to Term 2, with the opening of our modern learning space for the Senior Hub (Y5 to Y8 students) taking place in the first week. Sir Brian Lochore opened the classroom, after a special blessing by Archdeacon Hariata TeHana - Aunty Sally. This exciting future focussed learning environment will provide our Gladstone kids and teachers access to innovative and creative learning now and for years to come.

We are very grateful to our BOT for providing such an amazing space to learn in. We are also very grateful to our FOGS group who helped to fund much of the modern furniture for this classroom. If you have the time and are passing by, do take the time to drop in and see this collaborative classroom in action.

Gladstone School hosted the Carterton Country Schools Cross Country event at the end of May. This event was for all Y1 - Y8 students. It was great to see Gladstone School represented in the front placegetters in almost all of the races. We were really proud of all our students for their enthusiastic attitude at this event. A large group of students will now go on to compete in the South Wairarapa Cross Country event in June.
