JUNE 2016

GLADSTONE CONNECT MEETING

Thank you to all whom attended this meeting a few weeks ago, we had such a huge response of approx 45 people attend the meeting and many more apologies. This is a topic close to a lot of peoples hearts. Thank you to David Marsh for putting the meeting together and to Peter Gawith for Chairing the meeting. Alistair Scott and Seager Mason attended the meeting and offered a few options and support for our community.

There are solutions that the community can work through, we feel it best to come together as smaller hubs in your local vacinities to achieve action on improving cell phone and internet coverage into your homes.

On the Mahupuku Road we have made enquirers to Wiz Wireless, who do feel there could be a solution for a number of local families. I would encourage you to contact them on Phone number:

(06) 370 9210 or visit their website

If you would like to talk to someone in the local area feel free to contact

CHURCH NEWS

Marking Midwinter. Our June service will be at 5 p.m. on Sunday 12th. It will take the form of a Family Service celebrating darkness and light.

It would be good to see lots of children there with torches please! **Sue Beauclerc**

GLADSTONE COMPLEX COMMITTEE AGM

ALL WELCOME - 7PM at the Complex on Tuesday 28 June 2016 with normal meeting to follow-on. We have a vacancy for a Treasurer and committee members. Meetings are held 6 weekly on a Tuesday evening. We are getting some 350 people per week using the complex grounds and indoors, it is great to see that Gladstone sports teams are in good heart.

COMMUNITY CONTRIBUTIONS

The number of subs received last year were minimal which makes it much harder for the committee to pay for ongoing maintenance and running costs etc.

We need \$25k p.a. to keep the doors open and we urge everyone to pay their \$50 per household levy to make this possible.

Our Stakeholders, Rugby, Badminton, Tennis, Netball and Hockey all pay annual fees and we are very grateful for their support.

Please pay on the tear off part of the Newsletter at the bottom or put your levy straight through on online banking.

Bank account for online is:

THE GLADSTONE NETBALL CLUB

The Gladstone Netball Club would like to thank Gladdy Rugby for allowing us to man the gate for old timers day, with money gained going towards purchasing new kits for our expanded club. It is greatly appreciated.

All teams are enjoying the start of the season through grading rounds and look forward to points rounds starting after Queens Birthday weekend.

Thanks for all the support so far.
